Tutoring Experience

With over eight years of tutoring experience, I have guided students through the intricacies of IB and IGCSE curricula, particularly in Economics, Business Management, and Politics. My teaching philosophy centers around fostering a deep understanding of the subject matter, empowering students to apply theoretical concepts to real-world scenarios. I also place a strong emphasis on Internal Assessments (IAs), ensuring my students develop critical thinking skills that set them apart in their final exams. I've had the pleasure of working with students from various international backgrounds, helping them achieve remarkable success.
