## Tutoring Experience

I have been teaching for over 12 years, initially beginning my career in public schools in Madrid before transitioning to online tutoring. I have successfully guided students through the IB, AP, A-Level, and IGCSE curriculums, tailoring my approach to meet the needs of each individual. My focus is on creating engaging, interactive lessons that not only cover the syllabus but also inspire a genuine interest in the subject matter. Having worked with students from diverse backgrounds, I understand the importance of adapting my teaching methods to suit different learning styles. My goal is to ensure that students not only achieve high grades but also develop critical thinking skills that will serve them in their future academic and professional endeavors.
