## Tutoring Experience

I've spent the past ten years guiding students through the intricacies of Economics and Business Management. My journey began in international schools, where I quickly developed a passion for helping students achieve their academic goals. Over the years, I've honed my skills in tailoring lessons to individual learning styles, ensuring each student receives the support they need to excel. I specialise in preparing students for IB, A-Level, and IGCSE examinations, focusing on building a strong foundation in economic theory and practical application. My goal is to inspire confidence and a genuine interest in these subjects.
